

St John's College

Hello, I am Yingjian Wang, and I am the 2020 International Student Leader. Looking back at the last five years at St. John's College, I can say that this is the place where we are working hard and succeeding socially, excelling academically and growing in maturity. I have made a lot of new school friends, and they are all pretty kind to me. The teachers are friendly and helpful; without their guidance and support, I could not get into university. I hope to graduate from school this summer with an Excellence Endorsement. This is a testament to the nurturing learning environment found in this school.

I can still vaguely recall the moment in February 2016 when I walked into St John's College; I was inexperienced and young then. Five years have gone by, I have grown up to become a healthy, happy and independent man. The most beautiful memories during these five years are the laughter we have shared, tears we have cried as friends return home, every accomplishment we have obtained through sheer perseverance and determination. In short, I think that St John's College has given me the best five years of my youth.

大家好我是王英健，2020年的国际留学生会主席，很高兴能向大家介绍我的学校，这五年以来我在圣约翰高中的学生生涯，我们学校是一所非常优秀的培养学生全面发展的天主教学校，校里的学生和老师们都非常的友善并且乐于助人，如果没有他们的辛勤栽培也成就不了我如今的学业成就，我于今年夏日毕业，可在我回忆起高中时的青涩和稚嫩，与如今即将离校时的惆怅与感慨，心中波荡起伏。五年来有欢笑，有泪水，有成功，有挫折，丰富的高中生活交杂起来成就了五年青春最美好的回忆。
